SUMMERY

Hello! My name is Yacine, I live in Algeria, I am 26 years old, I work as a enthusiastic programmer and cyber security expert and the Ethical hacking with a strong technical skill set, Formal, 7 years experience and Interested in everything new in the world of technology I thrive in creating digital magic and raising the for good experiences.

Computer technician I previously worked in a center with more than 250 employees. I have over 7 years of experience in factory tools, office devices, computer systems repair, hardware, software and network connectivity. Performance increased by 5% after performing an OS upgrade at the hub level. Strive to use a wide range of computer knowledge and technical skills to become an advanced computer technician.
